The image shows a mobile app prototype for "ParkingApp" on a smartphone. The screen displays a "Usuario" (User) management interface. At the top, there's a status bar with signal, battery, and time (12:00). Below the app title, a blue button labeled "Usuario" is visible. The form includes input fields for "ID", "Nick", "Nombre", "Email", and "Contraseña". Below the form are four blue buttons: "agregar", "modificar", "eliminar", and "guardar". At the bottom, there's a table with two rows of user data. The table has columns for a checkbox, ID, Nick, Nombre, and Email. The first row shows ID 01, Nick MAVC, Nombre Miguel Villalba, and Email mavc.mike27@. The second row shows ID 02, Nick marco, Nombre Marcos Alvarez, and Email marco@gmail.c. The phone's home button is visible at the bottom.
